Statement of REACH Compliance

This statement acknowledges that Clover Tool Manufacturing Ltd.'s products are compliant to the European Union Regulation (EC) 1907/2006 (the Registration, Evaluation, Authorization, and Restriction of Chemicals or REACH).

Please note that Clover Tool Manufacturing Ltd. undertook the following two reviews:

1. Clover Tool Manufacturing Ltd. researched its role and responsibility as defined by REACH.
2. Clover Tool Manufacturing Ltd. contacted its suppliers and requested that they review their component's raw materials, alloys, and additives against the REACH SVHC Candidate List.

The results of the respective reviews are as follows:

1. Clover Tool Manufacturing Ltd.'s role is that of an article producer with its manufactured products considered as defined under REACH regulation Article 3.
2. Clover Tool Manufacturing Ltd.'s received written responses from its suppliers, declaring that none of the listed 209 SVHC substances can be found in their materials.

Based on the aforementioned information, Clover Tool Manufacturing Ltd. has determined that there is no further action required on our company's part according to REACH on 01-Dec-2020.
